Style Sensual (0.70)

This three-quarter frame reads clean and sellable, with product and body shape staying clear in frame. Light reads soft but could be refined to sculpt the face with more precision and clarity. The presence is promising, though a steadier gaze and posture would elevate the frame. Against the previous frame, this one appears as the opening statement and improves catalog consistency.

Coach Feedback

- Increase sharpness by using steady camera and good light.
- Increase contrast between outfit and background to define shape more clearly.

- Use longer posture and camera angle adjustments to create a more elongated line.
- Refine silhouette line with stronger posture and clearer garment shape.
- Avoid overexposed highlights and deep shadows.

Next step: Improve posture and line so silhouettes read stronger in fashion framing.

What to Keep

- Keep lighting soft and even across the face.
- Maintain simple styling and clean backgrounds.
- Keep expression natural and camera-aware.

Reshoot Checklist

- Shoot in diffused daylight (near a window) for smoother skin tones
- Keep consistent headroom and avoid cutting off hands or feet
- Stabilize the camera and ensure sharp focus on the face
- Separate the subject from the background with soft contrast
- Avoid collapsing the torso; keep neck long and silhouette open to camera
