A three-quarter framing carries a developmental polish with a deliberate silhouette and camera-aware energy. Light falls cleanly across the face, keeping skin tone luminous without flattening structure. There is a composed, camera-aware presence that feels bookable and on-brief. It complements the surrounding frames by lifting the energy from the previous image, keeping the set cohesive.

Coach Feedback

- Center the subject and keep consistent headroom.
- Use longer posture and camera angle adjustments to create a more elongated line.
- Avoid overexposed highlights and deep shadows.

- Refine silhouette line with stronger posture and clearer garment shape.
- Increase sharpness by using steady camera and good light.

Next step: Keep wrists and ankles fully inside the frame to protect silhouette continuity.

AI source: fallback

What to Keep

- Keep lighting soft and even across the face.
- Maintain simple styling and clean backgrounds.
- Keep expression natural and camera-aware.

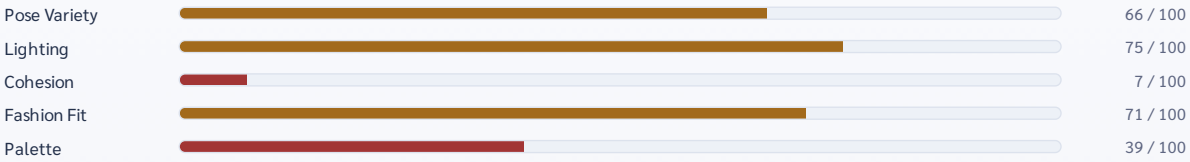

Reshoot Checklist

- Shoot in diffused daylight (near a window) for smoother skin tones
- Use a simple wall or neutral backdrop to keep focus on the subject
- Frame the subject centrally and keep the full silhouette visible
- Use a steady surface or tripod to reduce blur
- Shift weight intentionally and keep shoulders relaxed for stronger pose energy

How To Read Your Metrics

Use this dashboard as your decision map: high values show what is production-ready, while lower values show what to improve first. Start with the three lowest metrics and retest after your next shoot set.

Priority Order For Next Shoot

- Cohesion: 7 / 100
- Palette: 39 / 100
- Pose Variety: 66 / 100

Pose Variety

What it means: Measures range of framing types and visual variation across the set.

How to improve: Add headshot, three-quarter, and full-body with clearly different body lines.

Lighting

What it means: Measures highlight/shadow balance and face readability.

How to improve: Use soft front-side light and keep exposure consistent across frames.

Cohesion

What it means: Measures how consistent your set feels in light, background, and color.

How to improve: Keep location, white balance, and setup similar when shooting the sequence.

Fashion Fit

Palette

What it means: Measures silhouette strength, posture quality, and framing of body lines.

How to improve: Lengthen posture, keep line clean, and avoid cramped composition.

What it means: Measures color harmony and tone consistency across photos.

How to improve: Use coordinated wardrobe tones and stable color temperature.
