Scouting Agent Report

This series reads like a quiet fashion narrative, The set plays as a confident casting story, There is a clean, modern arc running through these frames, with a editorial-leaning sensibility and styling restraint that keeps the focus on silhouette and expression, moving from a composed first impression into a more assured, camera-aware presence. The story threads through the set as follows: This three-quarter frame introduces a developmental mood with clean lines and a modern casting feel, then A three-quarter view leans into a developmental attitude, with shape and proportion reading clearly, then The camera finds a full body angle that carries a developmental polish with a deliberate silhouette and camera-aware energy, then In this unknown composition introduces a developmental mood with clean lines and a modern casting feel, then This three-quarter portrait leans into a editorial attitude, with shape and proportion reading clearly, then A full body framing carries a developmental polish with a deliberate silhouette and camera-aware energy. Overall, it suggests a model who can deliver a brief with polish while still leaving room for refinement in precision and finish.

Coach Feedback

- Avoid overexposed highlights and deep shadows.
- Use longer posture and camera angle adjustments to create a more elongated line.
- Center the subject and keep consistent headroom.
- Increase contrast between outfit and background to define shape more clearly.
- Refine silhouette line with stronger posture and clearer garment shape.

Next step: Keep wrists and ankles fully inside the frame to protect silhouette continuity.

AI source: fallback

What to Keep

- Makeup finish appears even and controlled, with clean presentation on camera.
- Keep lighting soft and even across the face.
- Maintain simple styling and clean backgrounds.

Reshoot Checklist

- Use soft, even light to avoid harsh shadows or blown highlights
- Keep consistent headroom and avoid cutting off hands or feet
- Tap to focus on the eyes before taking the shot
- Lengthen posture and engage core to create cleaner fashion lines
- Stick to solid colors to highlight your proportions

How To Read Your Metrics

Use this dashboard as your decision map: high values show what is production-ready, while lower values show what to improve first. Start with the three lowest metrics and retest after your next shoot set.

Priority Order For Next Shoot

- Cohesion: 27 / 100
- Palette: 29 / 100
- Pose Variety: 66 / 100

Pose Variety

What it means: Measures range of framing types and visual variation across the set.

How to improve: Add headshot, three-quarter, and full-body with clearly different body lines.

Lighting

What it means: Measures highlight/shadow balance and face readability.

How to improve: Use soft front-side light and keep exposure consistent across frames.

Cohesion

What it means: Measures how consistent your set feels in light, background, and color.

How to improve: Keep location, white balance, and setup similar when shooting the sequence.

Fashion Fit

What it means: Measures silhouette strength, posture quality, and framing of body lines.

How to improve: Lengthen posture, keep line clean, and avoid cramped composition.

Palette

What it means: Measures color harmony and tone consistency across photos.

How to improve: Use coordinated wardrobe tones and stable color temperature.
